Bolyard and Dan Hanks who will join us as new members. On the Negotiation & Mediation Committee I would like to welcome the new members Bob Wigginton and Tom Neil. I was pleased to accept the Board's appointment as President along with Vice President Ann Marie Kulling, Treasurer Maureen Heger and Secretary Bonnie Adriansen. I want to assure you that we will strive to do the best we can to represent you and to make Blue Heron Pines a safe and active place to live. Please take advantage of the many activities in our community. I hope to see you at our next HOA meeting on March 3 at 7 p.m.

With our 14th auction in the books, we would like to thank everybody that came to the auction and bid on all of the wonderful items that the people of BHP donated. We cleared \$8,400.00! I would like to thank Dick Aaron, Peter Babbitt, Jim Karns and their crew of guys that picked up and hauled all of those wonderful items. My wife and I would also like to thank everyone for all of their help the day before the auction setting it up. Thanks to Nancy Fee and Jae-Ann Carder for doing the advertising and thanks to Dick and Mary Roller for all their years of doing the cashiering and check-ins. Thanks also to Labon and Cathy Richardson and their large crew that took care of the silent auction, Colin Phelps and his crew for doing the signs and lunch, Mark and Karen Belknap and Bob Longabard for taking care of coffee and donuts, Ann Marie and her crew on the bake sale, Jim Sievert and his helpers on security, Rosemary Burke for running sheets, Dennis Parente, Pepsi, Pat Karns, Jan Bolyard, Bunny Babbitt, Ron Frizzell, Jean Ralph, and Jim Karns for being great ringers. Thanks to Ft Myers Pest Control for donating \$150.00 for hotdogs, and All Weather Roofing for \$130.00 for donuts. Special thanks to my wife, Rosemary, for clerking for me for the 6 1/2 hours that we sold items. There will be an auction planning meeting April 8th at 4pm at the clubhouse. As you can see it takes A LOT of people to have a successful auction so everyone who is interested in helping make the next auction a success please attend this meeting. All are welcome!

Many Thanks,

March is named after the god of war and a planet: Mars. It was originally the first month of the year in Roman calendars because of its connection to spring. In ancient Rome, several festivals of Mars took place in March because that was the earliest month of the year when the weather was mild enough to start a war. Happy Spring!

District 7 FMO Meeting - February 14, 2020
Legacy Moss Landing, LaBelle

FMO President Jerry Durham was the featured guest speaker. He spoke on the progress made in Tallahassee and shared with us the comments heard from Legislators on the impact of all the calls and letters that FMO members directed to Tallahassee. They got the message that we were not happy with them. Senator Hooper, the sponsor of SB818 definitely got the message. Our Legislative Counsel in Tallahassee, Nancy Black Stewart, set up a meeting with 13 legislators and a private meeting with FMO Board members and Senator Hooper to iron out differences in the bill. It was a successful meeting because they agreed for sellers to pass their prospectus on to buyers among other parts of the bill we wanted changed or omitted. Three bills were involved in these changes: SB818, SB998 and HB1339, all had to be rewritten so they matched up to the provisions we were pushing to have included. After the last session FMHA (park owners association) and FMO realized they had to negotiate and agree amongst themselves to get bills passed more quickly into law in the future.

President Durham shared the plans of FMO for adding webinars to educate residents. FMO is also looking for more committee members on both Membership and Education State Committees.

He reminded us that there is strength in numbers. At the present time FMO has about 15000 members statewide. At one time we were 100,000 strong and had much more influence with legislators in Tallahassee. Raising membership numbers will make our voices much louder in Tallahassee.

The need for the FMO to become more politically active was discussed. Setting up a Voter Registration drive was mentioned.

Affordable housing is a problem that can be addressed by the FMO. Manufactured housing could be part of the solution for many residents of Florida looking for a decent place to live.

We were reminded of the FMO membership contest that is now in place. Each new member enrolled and the sponsor get a chance at winning a Golf Cart, cruise, a \$1000 or a monthly \$100 winning for the highest number of new members for a given month.

The next meeting will be at Southern Pines in Bonita Springs on Friday, March 13th at 1pm. The speaker will be from the Agency of Aging.

SAFETY & COURTESY As more new neighbors move in and all of our snow birds have returned, our community is getting very busy. Here's a few reminders to keep everyone safe:

- Observe the **15 mph speed limit and the stop signs**. This is critical so everyone can be safe walking, biking and driving in our community.
- Be aware of traffic while stopping and talking with your neighbors.
- **Keep your pets on a leash** at all times. Please pick up anything they leave behind.
- Be careful not to damage another homeowners landscaping.
- Do not park in a neighbor's driveway unless you have permission to do so.

Please remember that we are responsible for replacing the light bulbs in our outside street lights. Make sure to check yours after dark and replace if necessary.

Let's all treat everyone with courtesy and respect. It will be a much nicer world in which to live.
