News & Views of Blue Heron Pines Golf Community

29200 Jones Loop Rd, Punta Gorda, FL, 33950

Volume 29 Issue 8

Blueheronpineshoa.net

October 2020

The Presidents Message: It's hard to believe that another two months have gone by since my last message. I am happy to report that thanks to great efforts on the part of Blue Heron Pines residents in employing safe behaviors while out in public we are still Covid-19 free. Unfortunately, however, the Covid-19 numbers here in Florida are still high enough to restrict us from having any HOA meetings in the Club House. We will have to play it by ear on scheduling one in the future. On another note, we only have two months left in hurricane season. We have so far escaped any trouble here. Let's hope that we remain safe from any future storms. The other day I was talking to some new residents about life here in Blue Heron Pines. I was telling them about all the

activities available like golf, bocce ball, shuffleboard, horseshoes, pool, cards, swimming, the gym and on and on. As I was talking to them it occurred to me that the only things we really can't do at this time are to have parties in the clubhouse or large gatherings outside. I really felt a lot less restricted when I realized how fortunate we actually are. There are many communities in our country that are much more restricted in their daily activities. Hard things are easier to get through when we choose to focus on what we still have rather than what we lack. Until next time remember to do the things you need to stay safe and please respect others' needs in this regard. Airborne viruses don't really care if we believe in them or not; our needs and beliefs are entirely irrelevant to them.

Walt King

Not So Scary Scary Halloween Parade

Friday October 23, 2020 5:30 pm

Decorate your cart in the scariest not so scary way and join the parade up and down ALL the streets of the Community.

Line up at clubhouse parking lot at 5:15 pm

Sign up in the Clubhouse.

Community will be able to vote for their favorite carts. Voting is by cart number and will take place on Saturday October 24 between 10 and 11 am at mail kiosk. Each home has two votes and there will be 2 prizes awarded.

GHOST HUNT

Saturday, October 31 7-8:30 pm

Gather your brooms, ghost mobiles, or any other mode of transportation

Search the Community for Glow in the Dark Ghosts..

Meet at the Mail Kiosk at 6:45pm. Prizes will be awarded to the first 2 Hunters

who return by 8:30 with at least two of our ghostly visitors. Not into ghost hunting come on by apple cider and cookies/donuts will be served.

Sign up in clubhouse to participate in hunt

Sign up in clubhouse if you can donate cookies/donuts.

Sign up by October 23rd please.

Questions should be directed to Maureen Heger and Ann Marie Kulling

BLUE HERON PINES
Book Club

Ladies are you looking to join a book club?

We could meet once a month and discuss a book.

I'd like to offer the first book to be:

Love Story

by: Karen Kingsbury

Karen's books are about the Baxter family

Meet at the community center

October 27th

at 2:00pm

I found my book at Ollies for 3.99 and you could also try the local library

We could all read this book or if someone has a suggestion of another book we could read please let me know, or we can just meet and discuss a book that everyone has been reading. No set rules just trying to set something up.

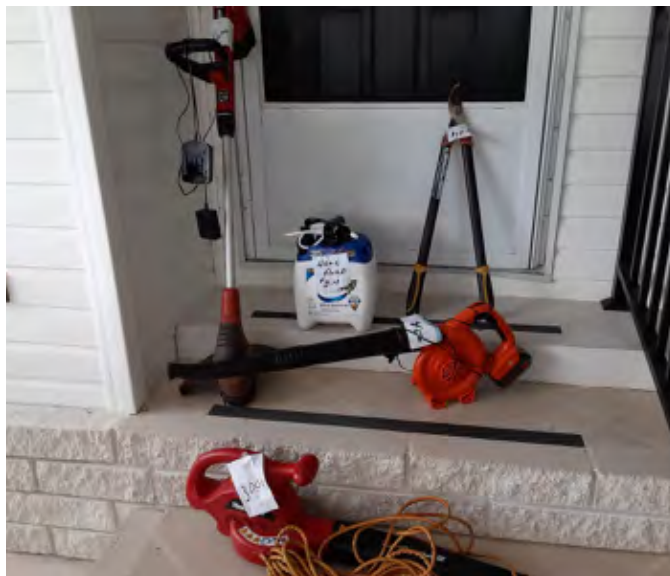

If you have any thoughts please let me know at janetclapper@sbcglobal.net

Men's Pool League 2021

General Info!

We would have liked to have had this meeting in late November to discuss and vote on some changes and issues that have come up since our last session in early March 2020, but covid-19 has not cooperated thus far.

Leo Zhender has done a great job over the last many years in managing the league and I thank him for his years of dedication and service to the league. He is looking at starting a league with the Alligator Park folks.

Our ideal plan is to maintain 10 players on each of 4 teams and playing partners as we have had in the past. You will be shooting with the same partner for that night only. You will be scheduled with a different partner each week. The season starts in early January and concludes in late March. We will be shooting for 12 weeks in succession. Two teams will shoot Wednesday evenings and the remaining two teams will shoot Thursday evenings. A schedule will be prepared and will indicate the nights you are shooting. Please note the days you shoot may vary week to week. All games will begin at 7:00 sharp. Please be on time as it takes a while to get all games completed hopefully before 10:00 in the evening.

I encourage each player to show up the night you are playing. It is a strain on your team if you cannot shoot.

The entry fee is one time charge of \$5.00, payable the first night you are scheduled to shoot. Ideally, we will have 3 Pizza nights, usually the 4th, 8th, and final awards night. The 13th week we will have a single elimination tournament beginning at 5:00 pm or earlier.

We have had some situations crop up in the last year, as well as some suggestions that we should consider. Please review the following 5 items and respond with a YES, or NO for each item. If you are interested in joining the league and shooting for 2021, please eMail your responses to Blueheronpinespool@gmail.com, with the following information;

Your name, Phone# (include your local number as well as your summer number), eMail address, Blue Heron Pines Lot Number, and lastly, your responses, YES or NO, with the item number (1-5) indicating the item you are voting on.

The 1st 40 responses will be enrolled in the league. Please submit this data by October 20th as this will be used to build the teams

Thanks guys! Stay safe and look forward to seeing you. Tom Brey, (303) 503-8170

Rule Changes to Consider and - Approve OR Deny.

Rule Change

- 1) At the break, if a player did not pocket any ball, the table is still open and the next player had their choice of solids or stripes. However, if the player made a ball on the break, under our current rules, he is now stuck with whatever he made on the break. If he made a solid on the break, he now had solids. We would like to change this rule. If the breaker makes a ball on the break, the table is still open! He can shoot either a stripe or a solid regardless of the ball he made on the break. The table remains open after the break until a player pockets a ball. At that point, the table is closed, and play continues. Please indicate YES you agree with the change, OR, NO, leave the rule as it is, (whatever ball is sunk on the break, the breaker is stuck with it).
- 2) Should we allow former residents of the park to be eligible to play in the pool league? Indicate YES, allow former residents to be eligible to play in the pool league, OR NO, Pool League Players must be a current resident of the Blue Heron Pines.
- 3) Should we use subs as we have had in the past to substitute for a player who is absent, OR should we have the Team Captain appoint existing team members to substitute for the missing player. YES, I prefer to bring in a sub for the missing player, OR, NO, the Team Captain should appoint other team members to fill in for the missing player.
- 4) Should the Team who won the flip of the coin to determine who breaks, be allowed to Defer the break. YES, the Team may defer the break, OR NO, the winner of the break may not defer the break. Please note that once the decision is made to break or defer, that decision may not be changed.
- 5) For years we have used a 3 tier system, A, B , and C, to balance the teams. The vast majority were in the B category. A players being the stronger shooters, and C, being the weaker shooters. A blind draw was done for each tier separately; blind draw for the A players, 2 per team, blind draw B players, 6 per team, and C, 2 per team. Should we continue to follow this concept? OR, should we identify the A shooters and group the remaining players? Blind draw for the A players, then a blind draw for the balance of players. (We will not balance teams.)

Closing note – Should there still be restrictions concerning the club house availability, we may consider moving the time of league play to the mornings or afternoons. We will address that issue if, and when it occurs.

Give Color to Your Surroundings

Some of you know I have a varied career, all relating to design. Art/ Painting was my first full time career, and my “claim to fame” was depictions of historical architecture of the Midwest. So much so I became a licensed interior architectural designer. Yet, as more and more people asked me to also design their yard (and I love gardens), I ended up designing a hundred+ yards!

In all of the above fields, color plays a significant role, and it affects each of us. Without color; we could not define anything; imagine every single thing being the exact same color. Color is subjective, and what one person loves, another hates. Ditto color combinations. However, color can be tricky as it creates moods in us that we may not be aware of, and it can visually enlarge a space or visually reduce it. Color will absorb the colors around it, changing its appearance, or reflect onto other colors, totally changing what we originally envisioned!

So as our hot, wet season slows down and you are thinking about putting a few plants around, give some thought to what you wish to project before just buying that pretty plant. Do consider the growing conditions, sun requirements, mature size, etc., but also consider color and color combinations before you even go to the nursery. Light colors make a space appear larger, dark colors make it appear smaller, but more intimate. Dark colors within surrounding light colors “might” look like dark holes in your garden. Most of you realize that blues and greens tend to be calming, cool, and reflective colors, whereas reds, oranges, and yellows are warm, lively, social colors. However, we sure do enjoy seeing a bit of contrast in a garden! (Notice I said a “bit,” not a free-for-all.) If you are out often in the evening, white and pale yellow colors show beautifully.

When putting together a color scheme, do consider the colors of your home as well. The right color in the landscape will greatly enhance the appearance of the home.

Respectfully submitted by sharon breay

BHP DAZZLERS LUNCHEON

The next Dazzler luncheon will be at
Wally Southern BBQ

ALL BLUE HERON LADIES ARE WELCOME TO JOIN US.

Drivers please leave me know if you have room in your car in case someone need a ride. Also if you can't make it Please take your name off the list or call me.

Thank you!!!!

Jean Michalak

The Role of the NeighborHood Watch in Blue Heron Pines.

I have been asked many times by residents what the role and duties of the Neighborhood Watch are here in Blue Heron Pines. We are here to help to ensure that our neighborhood remains a safe place to live. Our volunteers patrol our community to make certain that outsiders are not robbing and molesting us. We check to see that the club house is secured at night and that no one is sleeping in the pool house. (Yes, it has happened). We check to see that there has been no vandalism and that there isn't a moving van whisking away your or your neighbor's stuff, and we also check for strange cars in the park at night. Also, we look out for any other emergency types of situations that might occur, such as fires or injuries. We have given rides home from various fun activities at the community center when needed, and have pushed a few carts home when they have run out of juice. What we DON'T do is police the residents. We are not here to report you if you are breaking one of the BHP rules. We are not here to make sure your outdoor bulb is lit, and we're not looking at your driveway for too much clutter or your flowerbeds for weeds. We ARE here to ensure that our neighborhood remains a safe place to live. I would also like to take this opportunity to thank all of the people who are currently patrolling our community and to the many many many volunteers who have done so in the past. This is another reason that I enjoy living here. When given the opportunity to get involved, there are a lot of residents who do and who have. If you have any questions about the Neighborhood Watch please feel free to email me at rawsage@gmail.com

Thanks, Walt

Welcome to an Old/New feature of the “Gator Tales”. We will be running a “for sale” section **STRICTLY** for the residents of Blue Heron Pines. If you have something to sell, we probably have someone who wants to buy it. The guidelines are simple:

- - Short and sweet.
- - Ad will run for one issue unless you re-submit your ad for the next issue.
- - The service is free to residents only.
- - All articles have to be in no later than the 15th of each month.

HOA MEETINGS

The **HOA Board** meets on the 3rd Thursday of each month and the **HOA Membership Meetings** are on the 1st **Tuesday** of each month during the month of October through April beginning at 7:00 PM. The February Membership meeting is the Annual meeting at which Board Member elections are held. The meeting agenda is posted on the bulletin board 48 hours prior to the meeting. All HOA members are encouraged to attend the Board meetings. If you have an issue or concern, please contact a Board member prior to the meeting to have that item added to the agenda or sign in before the meeting. You will have 3 minutes to speak about that item during the meeting. (This is the "Sunshine Law" as defined under Florida Statute 723.078.) In addition, at the end of each meeting there will be an opportunity to ask questions or present items for discussion

HOME OWNERS ASSOCIATION

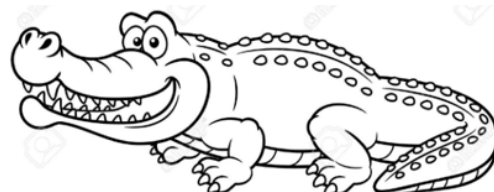

(HOA) Membership in the Home Owners Association is not mandatory, however, the Board represents the home owners of Blue Heron Pines as a group and provides a united voice for the home owners. They work as a liaison between BHP Owners/ Management and the residents. The cost is \$20 per year (Jan 1-Dec 31). This entitles the home owner to one vote per household for election of Board Members and any issues that need to be voted on. This money also pays for holiday events, kitchen supplies for Saturday Coffee and various activities, Legal fund, decorations for the Clubhouse, copying costs, reduced price on tickets for HOA events and more. Renters are also encouraged to join the HOA. Although they cannot vote, they are welcome to participate in all of the Blue Heron Pines activities and events as a member. You can purchase your Membership at monthly meetings or from Jae-Ann Carder #528

HEALTH & WELFARE Sunshine COMMITTEE:

Cathy Richardson #555 502-321-5229 lcrich3@att.net

has volunteered for this committee. She will gather information from other residents about who is ill or hospitalized, has a family member with a serious illness, or has passed away. If you have any news about a neighbor, please let Cathy know.

WILDLIFE: It is very important that you **DO NOT** feed any of the wildlife in and around our park. **From the Florida Fish and Wildlife Conservation Commission website:** "In Florida, it is **ILLEGAL** to feed manatees, sandhill cranes, bears, **raccoons**, foxes, and **alligators**." We need to do our part by making sure we are not providing **any** food for **any** animals (including birds and **ducks**). If you have a fruit tree, make sure you pick up fallen fruit. Above all, if you see an alligator, **just leave it alone!** The same is true of the coyotes people have seen out and about at night. If you leave them alone, they will do the same.

To our valued customers:

Our top priority is the health and safety of our employees and of our customers. Our employees are closely following the Center for Disease Control's (CDC) guidelines and recommendation, like frequent hand washing, social distancing, and staying home if they are feeling ill.

We have taken steps to limit exposure to the virus by making our customers aware that there is no need to have any contact with our employees if you choose to do so. Our business falls under the state's guidelines as "Essential Business".

We want to build a great customer relationship with you. Call today for a Free Inspection. (800) 377-7885.

• Keep Mold, Mildew, Rust, Stains, Spiders, Ants, Roaches and Moisture OUT of Your House!

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team

Are Your Tie Downs Tight?

- Hurricane Anchors • Tie Downs
- Leveling • Blocking • Carport Tie Downs
- Stabilizing Devices • Roof-Over Strapping
- Replace Rusted Anchors • Add Anchors
- Longitudinal Stabilizing • Wind-Up or Corner-Stop Straps

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home. They must be tightened every 3 to 5 years. Have your tie downs inspected NOW, before the storms!
