## President's Message

Where did 2018 go? It's hard to believe we are turning the page on another year already, but Happy New Year everybody!

For a moment, I'd like to step backwards in time a couple of weeks, to the Golf Cart Parade and Winter Wonderland festivities at the clubhouse. What a great celebration! I think it was the high point of our year at BHP, and I'd like to extend many thanks to Maureen Heger and the dozens of people who helped make it a success. The clubhouse was great, the golf carts were imaginative and well done, many houses were decorated *over the top*, and it was a fun-filled event!

The past year has been kind to your HOA. Our membership has increased from the 150-160 range to nearly 200, and our balance sheet has improved. We will easily surpass 200 members this year for the first time in our history. There are plenty of activities to keep us entertained and as busy as we want to be.

None of this just *happens*, but is the direct result of the efforts of Board members, Committee members and many other volunteers who pitch-in, and contribute a little time and effort towards making BHP "our" community, and a place we like to call home. I offer my sincere thanks to you for all your hard work!

This is a good segue into my "*the elections are coming, the elections are coming*" speech.

Yes, the elections are coming in February, and there are six openings on the Board and two on the N&M Committee to be filled. We also have

various Standing Committees that members can become involved with, as follows:

- A. Clubhouse
- B. Entertainment
- C. Sports
- D. Membership
- E. F.M.O
- F. Long Range Planning
- G. Community Services
- H. Negotiation & Mediation

Section One of our by-laws provides that "Chairpersons for committees A-G shall be appointed from the membership by the President, while the chairperson for the N&M committee shall be elected...."

This means that members can be involved in committees A-G without being a Board member and without having to be elected to serve. Simply express an interest and you can become a committee member. Also, the chairperson's of these committees do not need to be Board members, but are appointed by the President.

So, if you have an interest in these areas and would like to help your community, get in touch with Jeff Pollack or myself.

C'mon...we're all retired. We got time on our hands! Now you can "*step up to give back*", and make our little part of the world a better place.

Have a great new year everybody!

**Larry Roberts**

## Bean Bag Baseball

The sport of Bean Bag Baseball is being introduced to our community.

This fun game requires no batting or base running which makes it ideal for our aged population! Bean bags are thrown at a holed board marked as a baseball diamond. Players advance according to what hole they get the bag through. Scores are kept by the team captains.

Ideally teams are made up of six to nine people. Men and women can both play. Prearranged teams are welcome or there will be a school yard pick. All equipment will be provided and this activity can be played indoors or outside. You can bring your own snacks and drinks.

A start up meeting and games for Bean Bag Baseball will be held at the clubhouse on Saturday, January 19 at 1:00 p.m. For further information or questions contact Ron Smith at email [ellaron67@gmail.com](mailto:ellaron67@gmail.com) or Lot 551. Complete explanations can also be found on YouTube at "bean bag baseball". So come on down and help get this new FREE activity started.

Thank You

A big thank you to Wendy, BHP's ice cream lady, Laurie and Ronda for their efforts to raise money for our granddaughter's foundation, Efforts 4 Ellie.

Ellie was born with Glycogen Storage Disease 1b, an extremely rare liver disease. This is a genetic disease that affects one in one million live births. No government funding is provided for research.

Your generous donations will be sent to UCONN GSD Global Center where many new therapies and treatments are on the horizon. Many thanks to everyone who donated.

Linda and Fran McMenamin Lot 155

To all our friends, a very huge thank you for all your kindness and concern as well as your thoughtfulness of food, cards and flowers. Carl will miss feeding his squirrels, giving dog treats to all that passed by that stopped to say hi, and he loved following his golf buddies on Saturday mornings.

Thank you all from the bottom of my heart for your love of the man I loved. God bless to all of you and Happy Holidays.

## Winter Wonderland & Golf Cart Parade

was held on Friday December 14<sup>th</sup> and what a wonderful event it was. The community participation exceeded our expectations. There were 20 beautifully decorated golf carts in the parade.

The parade was led by our very own engineers, Linda and Dennis Donnelly, our conductors Jim and Diane Nietfeld who kept the parade moving and, our caboose, Cathy Richardson. The parade route was along the perimeter of the Community. The imagination

and the workmanship of the carts were just incredible.

The Community came together back at the clubhouse where they had the opportunity to vote for their favorite cart and house. They enjoyed free hotdogs, water, soda, hot chocolate and the amazing cookies baked and donated by our friends and neighbors. Peter Babbitt invited his friend Santa Clause to come join the festivities and help light the beautiful tree donated by Sun Communities, along with the visiting grandchildren who helped push the switch. Christmas music was provided by our very own Dave DeVries.

The Winners of the cart parade were as follows;

1<sup>st</sup> place #18 Dave Egger - Santa and his Sleigh with his very animated reindeer

2<sup>nd</sup> place #15 Connie Nelson and Kim Gorrell with their truck and Camper

3<sup>rd</sup> place was a tie

#10 John and Martha Kratz with The Red Baron Plane &

#2 Jerry and AnnMarie Kulling along with Kathy and Ken Scheutz with their very own ski mountain with Santa and friends ready to go downhill.

The house decorating contest was determined by a vote of the Community who voted for their favorite home. The winners were:

1<sup>st</sup> place Lot 636 – Walt and Donna Tomkins

2<sup>nd</sup> place Lot 575 – Ken and Dot Ramsey

3<sup>rd</sup> place Lot 637 – Ray Cronk and Maureen Heger

Congratulations to all!

The entire committee would like to thank each and everyone who participated, all who came out to watch the parade and who joined us at the clubhouse. This being the first year of this parade route, we learned that the parade can be routed on all the streets of our community. With the cooperation of the weather, perhaps next year we can have our tree lighting and festivities outdoors.

On behalf of the entire committee, thank you so very much for your participation. We wish you all a Very Merry Christmas and a Happy and Healthy New Year!

Milo and Terri Sasso, 142 Philadelphia,  
are from New Jersey. They are full timers but  
not ready to retire, both are employed, having  
become residents June 2018. They have a sweet  
little beagle named Polly.

They chose BHP because of the location  
and looks of our community with an added bo-  
nus, it was not a gated community. They enjoy  
the fact that Punta Gorda is a quiet town.

John and Sherry Allen, 157 Susquehanna,  
are from Columbus, Ohio. They have lived in  
BHP since 2017. People will know them by their  
Corgi, Mr. Finn, they are usually out walking  
around BHP.

Sherry still works part-time as an estate  
para-legal in Port Charlotte. John retired from  
Ohio State University as Secretary to Dean of  
Students .

## ***ENTERTAINMENT 2019***

January begins the States Host Committees. Please support your Chairperson and join the committee to provide entertainment for the month assigned. There are many talented folks in our Community, please share your talents with us. Watch for emails, notices on the bulletin boards and website for meetings for your state.

To help facilitate the events here are the guidelines for each committee:

HOA Sponsored Host States Events:

Host committees are responsible for at least one event/activity a month for the enjoyment of all Community members. These events are for profit. Tickets should be priced to cover the expenses of the event and help subsidize future events and day to day expenses of the HOA. Each committee should:

1. Decide on activity
2. Check the calendar for availability of the clubhouse/pool etc.

3. Book the entertainment, obtain a signed contract if required, to be signed by President of the Board or the head of Entertainment. Secure check from treasurer to pay the entertainer the night of the event
4. Request tickets and flyers from person responsible (Maureen Heger until another party is named)
5. Write the article for Gator Tales to be submitted no later the 15<sup>th</sup> of the month to Wilson Yerk at [wcyerk@gmail.com](mailto:wcyerk@gmail.com)
6. Ticket sales at mail kiosk, HOA meetings
7. Setup and cleanup
8. Provide the expense report to the Treasurer within 2 days of the event with any checks or money to be deposited in the HOA account.

---

## ***FUNDRAISERS***

If you would like to do a fundraiser for your favorite charity, by all means we do encourage you to do so. The rules for doing this are as follows:

1. Fundraisers are private parties and you as the sponsor must secure the clubhouse from the sales office. You are required to fill out the hall rental form and provide a \$100 check to be returned to you if the community center is clean and there is no damage to any of the property.
2. You are responsible for all functions required, entertainment, tickets, flyers set up cleanup etc.
3. If you would like the HOA to donate to the fundraiser you would need to address the board.

They would almost always be willing to provide the flyers, tickets, paper products and even donate the HOA portion of the share the wealth.

Hopefully this will help with the transition over to the host committees. Remember, if you would like to help with any event, even if it isn't your host committee, please feel free to attend any meeting or advise the Chairperson you are available and willing to help.

Ticket sales every Tuesday and Thursday are a big help to any committee, so if that is all you can help with, it will be greatly appreciated.

If you have any questions, please see Maureen Heger or any board member and they will be glad to provide you with assistance.

## **BHP Quilters**

By Liz Black

The quilters at BHP are making Patriotic Quilts to honor service people in our park. We are currently working on 2 or possibly 3 quilts that will be given to veterans at the BHP March 2018 HOA Meeting. The group is interested in learning the names of all those Vets who have served their country, either in the USA or Canada.

To nominate yourself or someone you know in the park, we would like the following information:

NAME  
LOT NUMBER  
BRANCH OF SERVICE  
US OR CANADIAN  
WHICH WAR  
WHAT YEARS

TELL US A LITTLE ABOUT YOUR SERVICE – what countries you served in, what battles, ships, etc....or share any military information you care.

TELL US ABOUT YOURSELF....spouse, family, where you live, hobbies, etc.

If you do not wish to share information, that is OK. There are nomination forms on the counter of the craft room for your convenience.

THE QUILTERS WOULD LIKE TO THANK  
**ALL VETERANS FOR YOUR SERVICE!**

## Why Not Join the FMO!

FMO is a statewide organization that provides representation for all Manufactured Home residents at the state and local levels. Our committees, Attorneys and Lobbyist continue to monitor legislation that impacts our residents, both pro and con.

### **IF THERE WAS NO FS 723 (Our Consumer Protection Law):**

- You could get two, three, four or more rent increases a year.
- You could be evicted from your home for no good reason. If management took a disliking to you - you are out.
- Management would not have to talk to you about your complaints or concerns.

Park Owners are constantly looking to Change FS 723 to favor their desires at the cost of our rights.

### **Successes of FMO are:**

- Defeated proposed sales tax on lot rent
- Defeated proposed Park Bingo card sales tax
- Raised specs on manufactured home construction to standards that have kept homes safe and secure during hurricanes.

- Maintain mobile home in-plant inspection and consumer complaint process for installation of homes within Department of Highway Safety.
- Funded & extended the mobile home tie-down program
- Convinced Citizens Insurance to reconsider insuring carports and sheds.
- Passed Amendment 2 that put in place the 10% cap on commercial properties. If this had been defeated it would have impacted our rents and ad valorem taxes

The FMO is constantly looking for ways to improve the FS 723 Statute to make it as strong a Consumer Protection Law as possible. There are many “gray” areas in the law that need to be clarified. That is one of FMO’s primary missions.

We need a loud strong voice in Tallahassee. FMO gives you a voice, help us make it louder. \$25 a year is a small price to pay for peace of mind to guard your Florida lifestyle that you hold so dear.
